

Camp Roberts: Training the Warfighter

Camp Roberts’ 40,000 acres allows for training in a broad range of soldier skills in a wide range of environments.

The installation can train and qualify soldiers in numerous weapons systems, from small arms to 155 mm cannon. Above right, 184th Infantry snipers, one in a ghillie suit, participate in a live fire exercise.

PASO ROBLES PRESS
& GAZETTE

proudly supports Camp Roberts
and the brave men and women who
serve our country!
